OMADUS INFOTECH ISSUES OFFICIAL DISCLAIMER ON FAIR RECRUITMENT; REAFFIRMS VISION FOR NATIONAL DIGITAL TECHNOLOGY INDEPENDENCE

NEW DELHI, INDIA — October 29, 2026 — Omadus Infotech Private Limited, an MCA-compliant technology enterprise certified under the DPIIT Startup India Initiative, has officially issued a comprehensive public advisory and legal disclaimer to safeguard job seekers and professionals against cyber-fraud entities illicitly misusing the brand name.

The management recently detected unauthorized third-party actors deploying misleading recruitment schemes and wrongfully demanding security deposits for equipment or training under the pretext of representing Omadus Infotech.

To maintain the highest professional standards of corporate governance, transparency, and public safety, the Administrative Board has enforced a strict operational framework:

Absolute Zero-Fee Recruitment Mandate

Omadus Infotech strictly **DOES NOT** charge any fees, security deposits, or financial payments at any stage of its vetting, interviewing, selection, or equipment onboarding processes. Any demand for financial transactions in exchange for a career placement is completely fraudulent.

Exclusive Corporate Domain Communications

All official communications, interview invitations, and corporate updates are conducted exclusively through the company's verified domain ending with **"@omdus.in"** (such as career@omdus.in or **admin@omdus.in**). Recruiters and administrative personnel are never authorized to utilize personal generic emails or unverified communication channels for official business workflows.

Direct Cyber Crime Prosecution

The company views identity theft, brand impersonation, and fraudulent financial extraction with zero tolerance. The internal legal cell is compiling digital communication logs and phone records to submit directly to the National Cyber Crime Cell for immediate legal action and criminal prosecution against the perpetrators.

How to Verify and Report:

Candidates are strongly advised to remain vigilant. If you receive any suspicious solicitation demanding money or personal credentials in the name of Omadus Infotech, please refrain from transacting and report it directly to the authorized management desk at **admin@omdus.in.**

About Omadus Infotech Private Limited:

Omadus Infotech Private Limited is a specialized technology and digital infrastructure enterprise focused on decentralized architecture, P2P sovereign edge infrastructure, and next-generation operating systems. Operating under strict regulatory compliance with the Registrar of Companies (ROC), Delhi, the company is built with a core vision to empower digital technology independence and secure robust national data sovereignty.
